Thy Geekdom Come

42 Fandom-Inspired Devotionals

Edited by

Allison Alexander

Casey L. Covel

Do you dream of dragons, understand Klingon, or consider Pocky your favourite snack? Do you wish there was a book that mashed your faith and fandom together? From Doctor Who to *The Lord of the Rings*, fiction has shaped our culture and can point the way to what is holy if we dare to look.

Delving into the worlds of superheroes, science fiction, anime, fantasy, and video games, *Thy Geekdom Come*—written by a group of authors and pastors from a variety of Christian backgrounds—relates these stories to an almighty, loving God who is ever present in our beloved franchises.

“This devotional speaks to two areas that mean so much to me—my faith and geek culture. It carefully considers stories from fandom and how they relate to biblical texts.”

—Derek White, United Methodist Minister,
“Geekpreacher,” Chaplain of Gary Con

“Faith is at its most vibrant when it’s embodied in communities of imagination, and few people embody those qualities more than those within geek culture. Thy Geekdom Come brings this confluence together in a vibrant devotional resource for everyone. Blessed are the geeks!”

—Jamie Arpin-Ricci, Author of *Vulnerable Faith*
